

Pre-75% Design Public Information Meeting Belmont Community Path – Phase 1

WHEN

Tuesday, June 11, 2024, from 7:00PM – 9:00PM

WHO

Abutters to Proposed Community Path
Interested Community Members
Representatives from Nitsch Engineering and Copley Wolff Design

WHERE

Beech Street Center
Multi-Purpose Room
266 Beech Street
Belmont, MA 02478

WHY

Join us to view the 75% Design Progress Plans and provide feedback, ask questions, and learn more about the final design process of the proposed Community Path Phase 1 in Belmont. The proposed project consists of the construction of a new paved shared-use path along the Fitchburg Commuter Rail and a new concrete underpass beneath the railroad tracks at Alexander Avenue to provide a connection from Channing Road to the Belmont High and Middle Schools.
